Adapted from the "Decalogue" of Pope John XXIII

**1** Don't try to solve all your problems at once.

**2** With your attire, be presentable but modest.

**3** Remember that God doesn't expect you to wait until you get to heaven to be joyful.

**4** Adapt to circumstances; don't expect everyone to adapt to you.

**5** Read something that will help you grow spiritually or intellectually.

**6** Do one good deed without telling anyone.

**7** Do one thing you don't like doing.

**8** Have a plan for the day even if you don't follow the plan perfectly.

**9** Remember that God loves you no matter what happens today.

**10** Don't be afraid to enjoy what is good and beautiful!
